## Languages

English  
Hindi  
Gujarati

## Professional Experience

### Web Designer

**Mighty Ventures, Ahmedabad, Gujarat** | *January 2025 – Present*

- Design and develop **interactive, responsive web interfaces** using **React.js, Next.js,** and **Tailwind CSS** within a component-driven architecture.
- Collaborate closely with cross-functional teams to **maintain brand consistency** and enhance UI/UX based on user feedback and usability insights.
- Optimize front-end performance and accessibility to deliver **scalable and high-quality user experiences**.
- Actively participate in **Agile workflows**, including daily stand-ups, sprint planning, and code reviews to ensure timely and efficient project delivery.

### Web & Graphic Designer

**Cynolinfotech, Ahmedabad, Gujarat** | *November 2022 – December 2024*

- Designed **visually compelling and user-centric digital interfaces**, aligning with modern UI/UX principles and business goals.
- Created **graphic assets and web layouts** that improved user engagement and overall product usability.
- Focused on building **intuitive user experiences** across web platforms by applying user-centered design methodologies.
- Collaborated with developers to ensure **accurate implementation of designs**, preserving both functionality and visual integrity.
- Contributed to maintaining a consistent design system and improving design workflows across projects.
